Inspector: JAMESON OCTOBER

Type: RETURN TO OWNER - STERILISATION / VETERINARY TREATMENT

Follow-Up Date:

Comments: I have returned the Jack Russel x female Layla to her owner on Goergap farm. Letitia said she wanted to take me to another farm where there is also female dogs that needs to be surrendered but unfortunately she could not take me because she is busy on a neighboring farm. Letitia told me that she will get back to me. No further welfare issues on Goergap farm. Nfa until further notice.
