Comments: The Spca received a call about Muslims slaughtering some cattle on a small holding opposite Hawk animal rescue in Riverlands. I immediately went to Riverlands and on arrival the cows was already dead. The slaughtering took place because it is Quirbani. I spoke to Rahim who seemed to be in charge and told him that they must in the future call the Spca and we exchange phone numbers. Some of the carcasses was already dressed when I got there. Nfa until further notice.
