Comments:	Bob Jantjies the owner of the property called me and said that his son will surrender the dog because the dog does not belong to him and that he does not have money for the vet. The dog belongs to his brothers son. When I arrived at the property to collect the dog,the pitbull Benji was nowhere to be seen on the property. I called Mr Jantjies and told him that the dog is no longer on the property and he was shocked. Mr Jantjies told me that he thinks his brothers son came and took the dog because he has told him that the Spca will be fetching the dog today. Mr Jantjies will find out where the dog is and contact me this afternoon. Will follow up.
