General Report Comments: Water, food and shelter observed. The public is no longer allowed into the pig camp and the cokatiel is now in a cage. Before I went to do the inspection I phoned the State Vet Dr Michael Swart and he informed me that he is going to visit the farmstal on the 13th of January on Friday. I met a lady who introduced herself as Linkie and she is renting at the farmstal. She informed me that she intend to take the cokatiel as it belongs to someone in Yzerfontain. All the animals observed are in a fair and acceptable body condition
