General Report Comments: I went to Malmesbury court and was successful in obtaining a warrant. I went to the address with SAPS the owner was not at home. While we were there his girlfriend came near and said we must wait for the owner and she also said that the female dog was given away to someone else. She did not want to take the warrant or seizer notice I left it inside the house. I then confiscated the male dog that still did not have shelter available near him. Later I found out that the female dog was at the complainants house. Mr Sampson did sign the female dog over to the Spca. I got a ob nr 1620/1/2023. No other animals animals on the property.
