General Report Comments: I saw 2x terrier x dogs on short leashes with collars. Water and shelter is available. Jason the son of the owner told me that the dogs are tied because they are attacking the neighbors chickens and has already killed a few that's why they are tied. I educated Jadon on how the dogs should be tied if needed to be tied. Both dogs is in acceptable conditions. I issued a warning to provide both dogs with runners or to extend the leashes.
