Were Animals Seen on the Property: No

CHECKLISTS

General Report Comments: Sakkie the owner told me that they have given the dog away,because his property is not fully fenced and they don't like it keeping the dog on a chain,that's why he decoded to give the dog away to a friend who lives Malmesbury. I asked Sakkie for the address but he could not recall the address because his friend was here this weekend and took the dog with. No animals on the property. Will do a recheck because sometimes people are lying.
