General Report Comments: Rene admitted that she asked someone to drown the female puppies. She said she did not know what else to do with them because they did not want them. There are 1 female dog and 1 puppy. The female dog has a skin problem and both dog's are roaming free in the property. Rene decided to sign over the female dog to the Spca. I gave her a warning that she is not allowed to kill or mistreat any animal or abuse any animal. Will discuss the case with the Manger.
