General Report Comments: Inspector Louise van Zyl was successful in obtaining a warrant from Vredenburg Magistrate . Herself and Patrick Chiwawa together with 3 Law Enforcement officials went to the property and confiscated the 2 x Pitbull dogs that were still tied with short chain, thin and living in parasitic conditions. The owner was not at home. We went to her workplace to deliver the seizure notice and the copy of the warrant but she refused to take it from us. Her manager also did not want to accept the documents. We returned to the property and we inserted the documents through a gap at the top of the front door. OB Number from SAPS IS 2018. ADM NR D1001 & D1002
