General Report Comments: Mr Nzozo from law enforcement asked me to assist them with a complaint they had received about a barking dog. I went out to check the welfare of the dog and how he is kept. The dog is in a fair condition water and shelter available for the dog. The dog is roaming free in the yard there is enough space for the dog. We spoke to the owner on walking the dog he said they have a problem with putting on the lead then the dog wants to bite them. He also said he spoke to a animal behaviorist and she said he must first sterilize the dog then she can work with their dog. Mr Africa is waiting on a sterilization date. No welfare concerns. Will recheck again
