General Report Comments: The owner was not at home. I did see 2 male dog's on the property. The German Sheppard was injured and the wound was infected. I got hold of the owner I told her she needs to take the dog to the vet or she can sign the dog over to the Spca. She decided to sign the dog over to the Spca D3629. She asked the neighbor to sign the admission form. The other dog is roaming free and in a fair condition. Nfa
