General Report Comments: Water, food, shelter and collars observed. The Rottweiler is on a running chain. The boarboel and the Terrier x are loose inside the property. The Jack Russell is on a short rope and Michelle informed me that she jumps over the fence into the streets. The fence is very low and the Rottweiler can easily jump over into the streets and she is very aggressive. The living environment is clean. I issued a notice to comply and will recheck in 7 days
