General Report Comments: Sherine stopped me and asked me to come and have a look at her 2x dogs because she feeds them but they don't want to put on weight. I saw 2x terrier x dogs that is underweight and I could see their rib bones. I asked Sherine if she has money to get the dogs to a vet because they could have tickbite fever. Sherine said that she does not have that kind of money and would rather surrender the 2x dogs. Both dogs was surrendered. Refer to admissions D3826 and D3827. Nfa until further notice.
