General Report Comments: Re-check Leketa said her father did take the dog to dr Rust and they said that the dog must get a operation on her eyes. I did contact the vet they said Mr Jantjies was last there in 2020 unless they was there under a other name. I tried to call the owner but his phone goes straight to voice-mail. I left another warning for the owner to contact me and to take the dog to the vet. Lakete said there is no ointment or any treatment for the dog. It looks like the dog is busy getting blind in her eyes. Will Re-check again
