General Report Comments: I saw 4x cross breed cows in the camp. The cows is in acceptable conditions. Water, food and shelter is available. Mr Parsons the guy who has goats next to this camp also told me that Nicholas the owner of the cattle is taking good care them and always has food for the cattle. The reason the cattle are inside the camp is because Nicholas does not have someone to take them grazing and his afraid they can get stolen or get lost. No welfare concerns noted. Nfa until further notice.
