General Report Comments: There are 2 dogs on the property. The one tan dog was on a short chain. The black dog was roaming free. Both dog's has a skin problem. They are also underweight. I educated the owner and gave her a warning to put the dog on a runner and that there needs to be adequate dog food for the dog's the dog's must be dewormed and pick up body condition. They also need to get treatment for the dog's skin problem. Will Re-check
