General Report Comments: I did see a very thin puppy roaming in the street I followed him home. A lady came out she did not want to give me her name. There are 2 dogs that I did see 1 tan female x breed and the black male puppy. The lady said its her husbands dogs she also did not want to give his name. The tan female dog is in a fair condition. The lady said that there is dog food for the dog's but it is looked up. I educated her and left a warning for her husband. He needs to provide proper dog food for the dog's. He needs to deworm the dog's. The puppy must pick up body condition within 2 weeks. Will Re-check
