General Report Comments: Abel Daniel's the man who stabbed the dog Simba was not at home,I left a warning with his granddaughter to give to him. I then went to Mrs America's work place to talk to her about opening a case against Mr Daniel's. Mrs America's told me that she will have to talk to her husband. I also explained to her that she will have to do an affidavit about what took place on that day and that she will also have to testify as she was the one that saw what happened. I left my number with and she told me that she will contact me. Will follow up.
