General Report Comments: Elwino the owner of the dog let me on the property. I observed 1 x black pitbull x female called Tina on the property. Elwino told me that Tina stays inside the house and can run up to the balcony whenever she likes, and it's not like she stays there on the balcony. The reason Tina is inside the house is because three of his previous dogs have been poisoned. Water, food and shelter is available. Tina's body condition is acceptable and she is by no means thin. No welfare issues were observed. NFA until further notice.
