General Report Comments: There was a lot of people on the property and some of them were drunk so I couldn't take pictures. The female Pitbul is on a short static chain with a collar and is thin. The male Pitbul was inside the house lying on the floor as he could hardly move. Mavis informed me that the dog is sick and she was about to call the SPCA. All the other dogs body condition is fair and acceptable. They are running loose. The female Pitbul is very aggressive. The living environment is clean. I issued a notice to comply . Mavis surrendered the sick male Pitbul named Bully
