General Report Comments: I was advised that the owner Mr Hector took the dog to the CVC Vet at the SPCA kennels in Vredenburg. The CVC vet said. The CVC vet only works on the basis to help people if they also agree to sterilise their animal. They offered Mr Hector a once off reduced fee of R250 to sterilise and treat the injury. Mr Hector refused the help. I went to the property in the afternoon. Mr Hector then told me that he does not have the money and will take the dog to a vet. I gave him another warning to get the dog to a vet within 12 hours. I then left the property.
