| CONFINEMENT OF ANIMALS          | Static Chain - inadequate length ** | The dog jumps out of the property |

General Report Comments: Elmene informed me that the dog belongs to her son but the son is not even five years old so I advised her that it's her responsibility as the child is her dependent. The dog's body condition is fair and acceptable. Water and shelter observed. The dog is on a short static chain without a collar. I issued a Notice to comply and will recheck
