General Report Comments: Re-check the owner was not at home. Betty said she did give the warning to the owner. The owner did not adhere to the warning. There was no food available for the dog's. No treatment was provided for the dog's. There is no proper shelter for the dog's it was raining they were running in other people's yard for food and shelter. I gave the puppy some dog food he ate all the food immediately. I left another warning for the owner to provide proper dog food and shelter for the dog's and treatment for the skin problem.
