General Report Comments: I saw 1 pit bull on the chain with a collar. I stopped by to speak to the owner of the dog about the condition of the dog. I ask why the dog on a chain they told me that the property is not fenced and they keep the dog during the day there I advise them to change the water because it was a sunny and warm and also that they must see if the weather is bad they must change the water always. Water and shelter was observed and the body condition of the dog is acceptable NFA .
