General Report Comments: I did see a dog roaming in the street. David said it's his neighbors dog. I asked him what's wrong with the dog's neck he claimed the dog was bitten more then a week ago. He also said the owner of the dog only comes home on Friday's but the girlfriend is there during the week. I left a warning for the owner to take the dog to the vet and to contact me within 48 hours. Will Re-check again
