General Report Comments: I went to do a recheck on Jakkalsfontein farm. I took a kennel to the 1x house that I left a warning for shelter because the 1x dog only had shelter. The owner was very happy about the shelter because he was still waiting on pellet wood from a friend to build a kennel. The dogs on the farm is in acceptable conditions. Water and food is available. I called Yvette to ask about the farm where the guy is breeding with the pitbulls and she told me that he has moved from Lharine farm. Yvette told me that she will find out where he stays and let me know. Nfa until further notice.
