General Report Comments: The lady that allowed me onto the property Gigi is working for the complainant who is renting from Hester. There are 3 dogs on the property 2 dogs belongs to Hester an the other dog is the complainants dog. The dog's are all in a fair condition water food and shelter available for them. They are roaming free in the yard. There are 2 African grey birds in separate cages one belongs to Hester and one to the complainant. Hesters bird cage is very dirty and the towels that she uses to cover the cage at night is not adequate. I left a warning for the owner to clean the cage where the bird is enclosed and provide proper shelter for the bird. Will Re-check
