General Report Comments: The owner of the horse was at work,I called the owner to ask where the horse might be and he told me to go to 5th Avenue and just ask for Joshy and he will take me to horse . I went 5th Avenue and found Joshy who then took me to the horse where she was grazing on an open field. When I tried to approach the horse she took off and ran away . I called the complainant Zelda and told her that the horse does not seem stiff and that she took when I approached her . Zelda said that she will contact the owner and that they will monitor the horse. Zelda will let me know how the horse is doing. Will follow up.
