General Report Comments: Re-check the owner was not at home. Moses said he did give his mother the warning. The warning was not adhere to. The dog was not taken to a vet. I then left another warning for the owner to take the dog to the vet and to contact me or she can sign the dog over to the Spca if she can't afford vet. She did send me a whatsapp voice note later the day and said she is not willing to sign the dog over to the Spca and she does not have money to take the dog to a vet. Will contact her tomorrow.
