General Report Comments: While doing a recheck in 2th Avenue I turned into Malmesbury Street and saw 1x Rottweiler x female loose in the yard,bit something caught my attention. Upon closer inspection I saw that the dog has a prolapse. The owner Hyron came out and told me that the dog Lucy came into heat a week ago and then this appeared. I told Hyron that the only thing to do is to get the dog sterilized as soon as possible otherwise the prolapse will become septic. Hyron asked me if we can't help him bit he is willing to pay. I made a appointment at the Village vet for the dog to be sterilized on Monday. Hyron asked if I can't collect the dog on Sunday as he is going to borrow some money from work. I agreed and will be collecting Lucy on Sunday morning. Will follow up.
