General Report Comments: Marinett informed me that the dog was hit on the mouth by a post office official when it tried to bite him. I advised the owner to go and make a case at the local SAPS office but she refused. She said that she will rather surrender the dog. She informed me that she is keeping the puppy. The Admission number is D4885. The puppy's body condition is fair and acceptable. I issued a Notice to comply advising the owner to seek help in future for any sick or injured animal in her possession.
