General Report Comments: Re-check Mrs Jacobs was there. I asked her if they took the dog's to the vet. She said the vet said they are full and can't assist them. She said she can only take the dog's to the vet when she is of at the end of the month. I told her that is to long because she claimed that the dog's gets enough food so there must be another problem. I asked her if they did buy adequate dog food she said she did buy Benji dog food again after I asked them to buy adequate food. I told her they have a choice to surrender the dog's or I will have to get a warrant to remove the dog's. She did not answer. I then gave the dog's food again they ate all the food in no time. The yard was full of dog feces. Will apply for a warrant tomorrow.
