General Report Comments: I went back to the property and Ms Smit wanted to surrender the Jack Russell for the dogs safety. I asked her if it is her dog or the owner of the farm. She asked if I wanted to talk to the owner of the farm and I then contacted Quinton Brink who told me that the Jack Russel does not belong to Tracy and under no circumstances is he going to surrender his dogs. He told me that the farm manager is on his way to the farm and will collect the JR from Tracy. Tracy told me that she will let me know if they do collect the animal. I left the property.
