General Report Comments: There are 2 dogs on the property. Both dog's are roaming free water food and shelter available for the dog's. They are both underweight. There was no ticks on them. The owner said a lady did give him spot on to put on the dog's. He asked if he could surrender the male dog so he can concentrate on the female dog because he does not have money to take care of both the dog's. He surrendered the male dog admission D4177. Will Re-check again on the other dog.
