General Report Comments: I saw 1x brown terrier x female with severe mange roaming the street. I stopped and asked the people in the street who the dog belongs to and they showed me the house where the dog lives. Shafika the owner came out and I asked her if they are treating the dog for mange and she told me that they don't have money to buy treatment for the mange and was thinking about putting car oil on the dog for the mange. I told Shafika that car oil won't work for the mange and that I will be better if she surrenders the dog. Layla the terrier x was surrendered. Refer to admission D4613. Nfa until further notice.
