General Report Comments: There are 2 dogs on the property a male and a female. Both dog's are underweight the female is full of ticks. Essie said that the male dog has been stolen 2 times that's her reason why he is looking like that. I told her they must lay a charge against the person that steals the dog. I educated her and gave her a warning to provide proper dog food. To deworm the dog's and get tick and flea treatment for Lady. Both dog's body condition must improve within 2 weeks.
