General Report Comments: Re-check the dog's were again enclosed on the small stoep. The owner phoned me to ask if I could give them time till the end of this week so they can buy fence and put it up. I told her yes because the area where the dog's are enclosed is to small. She said they did put the dog's on runners but then other dog's came into there yard and bit the one dog. Later she phoned me very angry that I must go to the people I the streets who's dog's are roaming free. I told her she needs to take it up with law enforcement. Will Re-check next week to see if they improved the dog's living area.
