General Report Comments: The Spca received a call about a dog that was stabbed in Riebeeck west. I went to the property and saw 1x black and white pitbull x male with a knife in his eye. The people in the street went to fetch the owner. Meche the owner told me that this guy just stabbed Tyson the male pitbull x without any reason. Meche also told me that she has already laid charges for damage to property and animal abuse. Meche said that they don't have money to take Tyson to the vet and would like to surrender Tyson to the Spca to relief him from his pain. Tyson was very weak when we got to the kennels in Darling and was humanely put to sleep. Nfa until further notice.
