| CONFINEMENT OF ANIMALS          | Static Chain - inadequate length ** | Yard not enclosed           |

General Report Comments: Re-check the one German Sheppard is on a long chain without a collar around his neck. The other 2 dog's are still on short chains. The pitbull had a harness around his body. The dog's are in a fair condition water and shelter available for the dog's. I left another warning for the owner. Will Re-check again.
