General Report Comments: I saw 1x black puppy inside the yard and stopped to have a closer look. The puppy has severe mange. I called and the owner Miriam came out, I asked Miriam if they are treating the mange and she said that they don't have money to take the dog to a vet. I issued a warning to get the puppy vet treatment and Miriam then decided to surrender the puppy. Refer to admission D4644. No other animals on the property. Nfa until further notice.
