General Report Comments: There was nobody at home. The landlord said the people left on Monday. She said nobody gave the dog food for the few days when they were not there they did not even say they are leaving for a few days if she can feed the dog. She said she gave the dog some food tonight. I also gave the dog some food and I could see that he was very hungry. The dog is roaming free he is in a fair condition. I could see there is a kennel available. I left a warning for the owner to contact me.
