General Report Comments: I saw 2x black and tan terrier x female with mange roaming the streets. I found out who the owner is and went to his address. The owner Thethile Vana said that I can take the dog. I told Mr Vana that I can't just take the dog, he must come with me to where the dog is and load the and then sign the admission. We went to load the dog in the next street where she was lying on the sidewalk. Refer to admission D4647. No other animals on the property. Nfa until further notice.
