General Report Comments: Paco the brown and white pitbull male is still limping a bit. I advised Magdaleen that Paco needs to see a vet because he is still limping. Magdaleen told me that Basie the guy who hit Paco with the car said that he will take Paco to the vet. I asked for Basie's number and gave him a call. Basie told me that he will take Paco to the vet on Friday. I explained to Basie the seriousness of the situation and he promised that he will take Paco to the vet. Water, food and shelter is available for the dog. I issued another warning to get Paco to the vet. Will follow up.
