General Report Comments: There was no people at home, I saw the cat lying on the sidewalk in front of the house. I picked up the cat and put her in the bakkie. I then called Ronel Vlok to ask her when are they going to take the cat to the vet because the cat is in need of veterinary treatment immediately. Ronel told me that she made an appointment for tomorrow at the village vet. I called the village vet and Herchelle the receptionist confirmed that there is an appointment. I then returned the cat to Ronels daughter who has just arrived. Will follow up.
