General Report Comments: There was no people at home. The complainant that lives next door was there on my arrival. The complainant Shelly Anne went onto the property and let the dog loose . I could see where the dog was chained and the chain is to short. Shelter and food was also available but the dogs water bowl was empty. I told Shelly Anne that she can get into trouble for what she did because she can't just trespass onto someone's property. The brown terrier male body condition is acceptable. I issued a warning to put the dog on a running chain and to provide the dog with potable water everyday. Will recheck.
