General Report Comments: Jessica stopped me while doing door to doors in her street. Jessica wanted to know what she can use because her dog Stacey keep scratches herself and is loosing hair at the back. I told Jessica that she must go to the vet or a petshop and get the dog a Bravecto,Nextgard or dog dip. Stacey body condition is acceptable and she does have food,water and shelter available. Jessica told me that she will go to Molly's petshop this weekend to see if they have any of the products that I have mentioned to her. I issued a warning to provide the dog with treatment for the skin problem. Will recheck.
