General Report Comments: I was successful in obtaining a warrant from the Malmesbury magistrates court to remove the calves on the Rondevlei farm. On arrival I presented the warrant to Mr. Attie Van Schoor who is the owner of the farm and he granted me and Patrick Chiwawa access. The calves are still in the same condition as they were the day before and nothing has changed. There was no water available and also no adequate food. I only saw the 2x calves and asked Mr. Van Schoor about the third calve and he told us that the calves has ran off with the adult cows. Patrick and I drove around on the farm but could not locate the calve. The donkey was also nowhere to be seen. Mr. Van Schoor said that we can take the donkey as it is not his donkey. The adult cows and sheep is in acceptable conditions. Will do a recheck on Thursday to collect the donkey and see if we can find the other calve .
