General Report Comments: Hanzel Sias the owner let me on the property where I observed 1x brown and white pitbull x male called Bobby. Bobby's chain is tangled and he does not have a collar. According to Hanzel the owner Bobby has to be chained because he is very aggressive and the yard is not properly fenced to let him loose. Bobby's body condition is acceptable and his living area is also clean. Water, food and shelter is available. I issued a warning to put Bobby on a running chain and to provide him with a collar. Will recheck.
