General Report Comments: Siena Mentoor who is the neighbor gave me access to the property and explained to me what the situation at the house is. Siena told me that the owner of the dog Blackie and the kittens went to prison and there is nobody feeding or taking care of the animals. The owners brother who also stays on the property can't even look after himself let alone the animals Siena said. Siena then asked the owners brother if she can surrender the animals to the Spca and he agreed. Blackie and 3x kittens was surrendered. Refer to admissions. D6976,D6977,D6978 and D6979. Animals no longer on the property. Nfa until further notice.
