Comments: I called the station to speak with Damingo. He is apparently in Malmesbury Court this morning. Another officer assisted me and check on the system the status of the case . According to the system the case is closed.

I advised her thatI find this rather strange as Damingo still had to obtain a report from the veterinarian, and I dont understand how the case is just closed.

She will enquire into the matter and give me a call back. If I have not received a call by Monday, I will discuss with my manager to go the station.
